when asked how his mother was bearing up under the shock, Mr. Epstein said he was afraid it would be too much for her.

Neighbors say that Mrs. Epstein rushed out of the house last night and told everybody she met that her children were not drowned, but were safe and enjoying themselves at Rockaway. Her sons finally appeared and led her back into the house, but since then she has been under close restraint.

BROAD CHANNEL, ROCKAWAY BEACH, L. I., Aug. 10.—All last night and early this morning people searched the bay off Goose Creek for the bodies of Miss Fannie Epstein and Abraham Epstein, which, it was erroneously reported, were recovered yesterday.

At 6.30 o'clock this morning the searchers brought up the body of the young woman, near where the accident happened. A party in one of tae boats was dragging the bottom of the bay when the hooks caught in the clothing of Miss Epstein, and the body was towed to the dock at Goose Creek, where the dead woman's brother was in waiting. Coroner Everett, of Jamaica, was notified.

The search was continued for the body of Abraham Epstein, which as yet has not been recovered.

The fields are not large, but are very nicely ball-anced. The opening race, a six furlong dash, brings together Kingston and others and ought to result a close finish. A good lot of youngsters meet in the second, and they should produce a lively contest.

In the third race a fair lot of platers are named to start, and the betting will be good. Dutch Skater and Galloping King will make a good contest in the fourth race, and the maiden two year-olds will afford a chance for specularity.
